About Me
I am a graduate student with experience in accounting, particularly financial audit. I hold a Bachelor's degree in Law, and I am currently studying for a master's degree in Computer Science. I am looking to transition to a role in financial technology and data analysis, which will allow me to apply my digital skills and finance experience.

Skills and Experience
Three accounting experience working as an animal auditor. Prior to this, I completed a law degree, and a four-month internship as a court administrative officer.

Education
Hold the following qualifications:

- LLB (Uche)
- BSc (Uche) in Finance, Accounting and Business
- Awards in Mathematics, Economics, Business and Law

Hobbies and Interests
• Reading
• Listening to Music
• Playing Chess
• Football
